- ❖ Establishment of VSMSRKIT.
- ❖ Chairman, President and Directors of VSM.
- ❖ Facilities available at VSMSRKIT, Nipani.
- ❖ Journey of VSMSRKIT in this 10 years.
- ❖ Institutions growth, developments & student's beneficial schemes
- ❖ Achievements of students in Academics, Sports, Technical Competitions, & other activities.
- ❖ Project based learning methodology.
- ❖ Future scope of the institution about placements, training and fellowship programmes.

Events

1. Introduction to First Year Engineering - Prof. Prashant M Ganji
2. Introduction to Placement Cell - Prof. Avadhut Joshi

Day 1: Introduction to First Year Engineering by
Prof. Prashant M Ganji, First Year Coordinator, VSMSRKIT, Nipani

First Year Coordinator Prof. Prashant M Ganji, presented orientation with first year engineering that include

- ❖ First year syllabus, subject handling faculty information,
- ❖ Distribution of divisions,
- ❖ Introduction to CBCS (Choice Based Credit System) scheme,
- ❖ Subject wise grades and credits
- ❖ students approach for scoring high in examination, etc...

Day 1: Introduction to Placement Cell and its Activities by
Prof. Avadhut Joshi, Training & Placement Officer, VSMSRKIT, Nipani

The TPO, Prof. Avadhut Joshi, introduced training & placement cell to the students which includes:

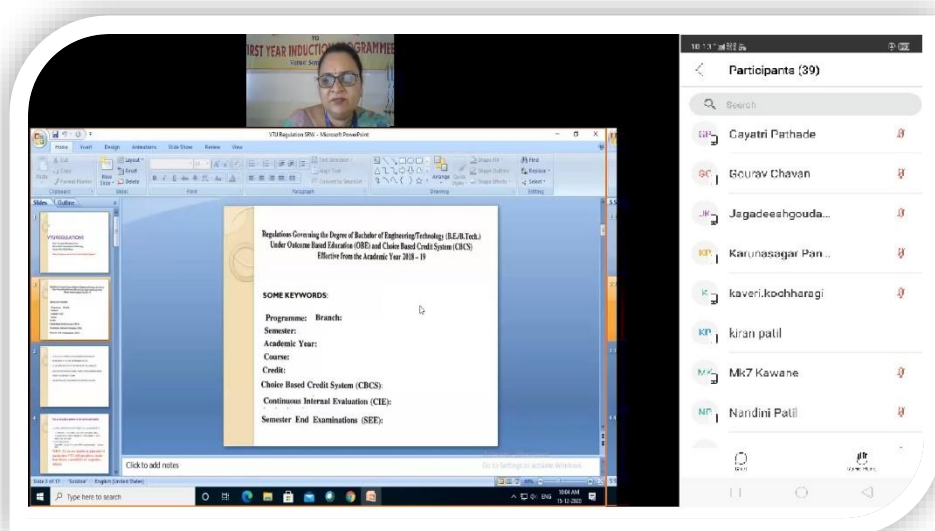

- ❖ Introduction to Placement cell of institution, cell member information.
- ❖ Placement data: Placements achieved so far in the previous academic years.
- ❖ Recruitment partners list.
- ❖ Training partners data.
- ❖ Training courses information.
- ❖ Students approach & preparation for better placement.

Events

1. Familiarization with VTU Examination - Prof. S. R. Wategaonkar
2. Familiarization of Departments - All HoDs

Day 2: Familiarization with VTU examination, by **Prof. Sangita R Wategaonkar**, Dean Examination, VSMSRKIT, Nipani

Dean Examination, Prof. Sangita R Wategaonkar, explained about VTU examinations & regulations, that includes

- ❖ University Examination Guidelines.
- ❖ University Regulations over examination: Eligibility, Do's & Don'ts
- ❖ Examination pattern for current syllabus.
- ❖ CBCS Scheme and grading mechanism.
- ❖ CIE & SEE exams importance.
- ❖ How to evaluate average marks from Assignment and CIE test marks.
- ❖ Conversion of grades in to percentage.
- ❖ Eligibility requirement for promotion to next year.
- ❖ Vertical Progression Scheme by VTU.

Day 2: Familiarization of Departments by respective HODs

- ❖ ECE: Prof. Mallikarjun. C. Sarsamba.
- ❖ CSE: Prof. Sandesh. D. Manocharya.
- ❖ ME: Prof. Sachin. A. Mehta.
- ❖ CV: Prof. Sunil. M. Gangannavar.

The introduction covered:

- ❖ Department's vision & mission.
- ❖ Departmental staff information.
- ❖ Laboratory information.
- ❖ Departmental activities, events & functions.
- ❖ Department student's achievements in Technical Competitions, Sports and other activities.
- ❖ Departmental placements history.

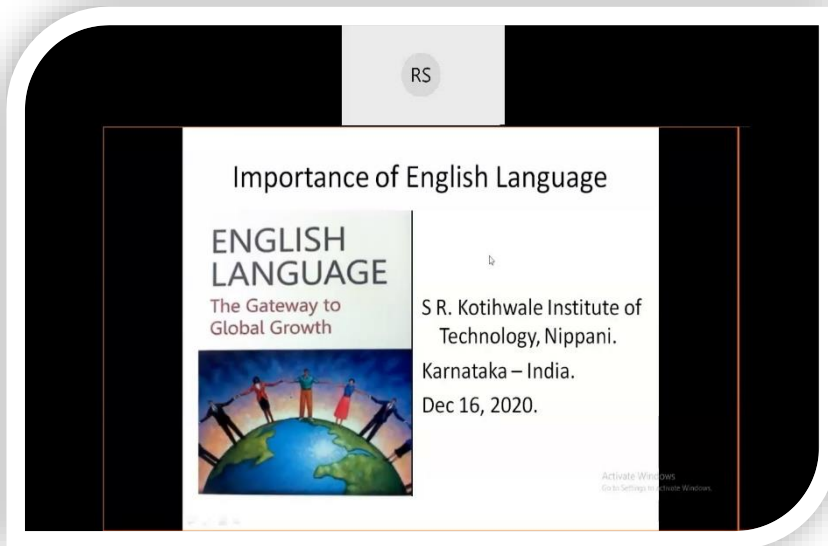

Events

1. Importance of English Language - Mrs. Roopa Samant
2. How to overcome Examination fear - Dr. K. B. Jagadeeshgouda
3. Tips & Tricks to Adapt English Easily - Prof. Vijay M shevale
4. COVID-19 Awareness - Prof. Anup B Patil

Day 3: Language Proficiency: “Importance of English Language” by
Mrs. Roopa Samant, Freelance Lecturer & Language Consultant, Belagavi

Mrs. Roopa Samant, conducted online webinar titled “*Importance of English language*” in which madam explained

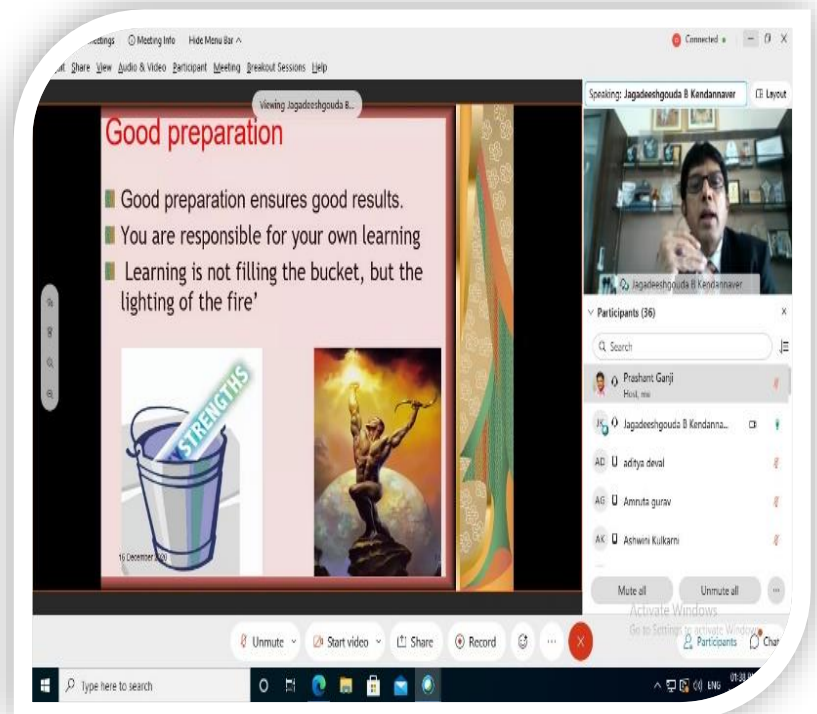

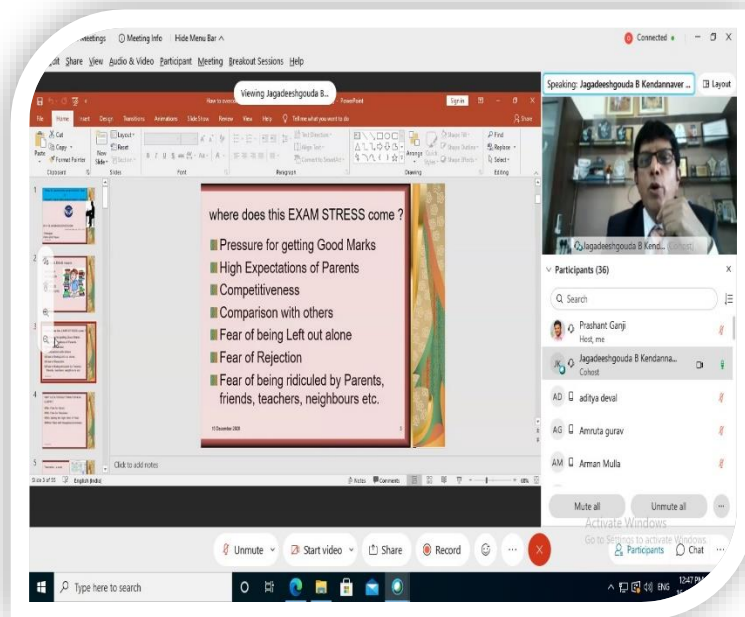

- ❖ How important is English language fluency for Engineers.
- ❖ How English speaking skills keeping Indian engineers away from their dream jobs.
- ❖ Survey of job fitness and readiness with respect to language.
- ❖ Top future jobs in demand till 2030.

Day 3: Personality: “How to overcome Examination fear” by Dr. K. B. Jagadeeshgouda, Principal & Director, VSMSRKIT, Nipani

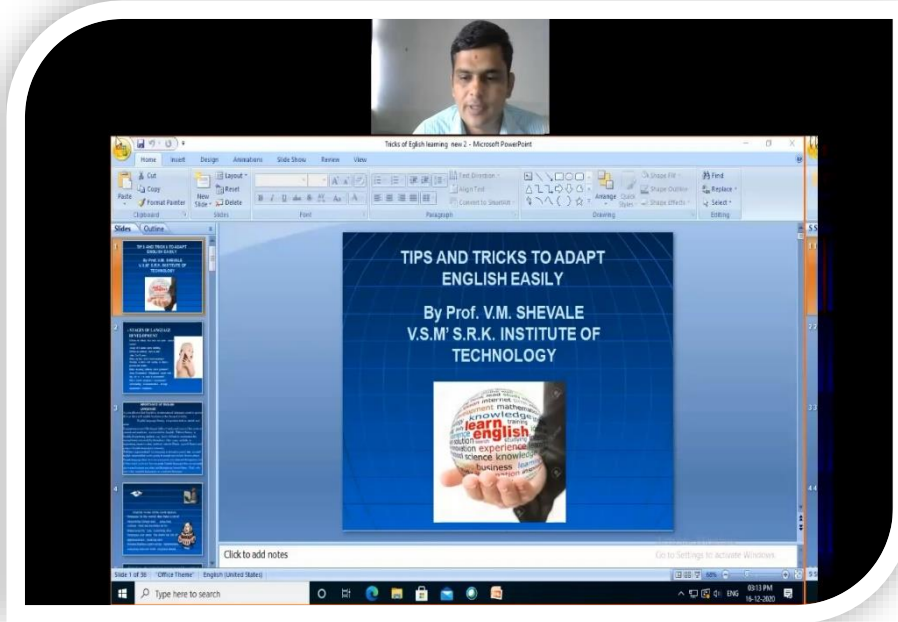

Dr. K. B. Jagadeeshgouda,
conducted webinar on “*How to overcome Examination fear*” the
key points covered during session

- ❖ Why do we forget what we had studied?
- ❖ From where does this exam stress comes.

- ❖ Tips for improving concentration.
- ❖ Plan for exam preparation schedule.
- ❖ Characteristics of successful student.
- ❖ Tips for exam preparation
- ❖ Guidelines on writing the exams

Day 3: Webinar on “Tips & Tricks to Adapt English Easily” by
Prof. Vijay M Shevale, Assistant Professor in English, VSMSRKIT, Nipani

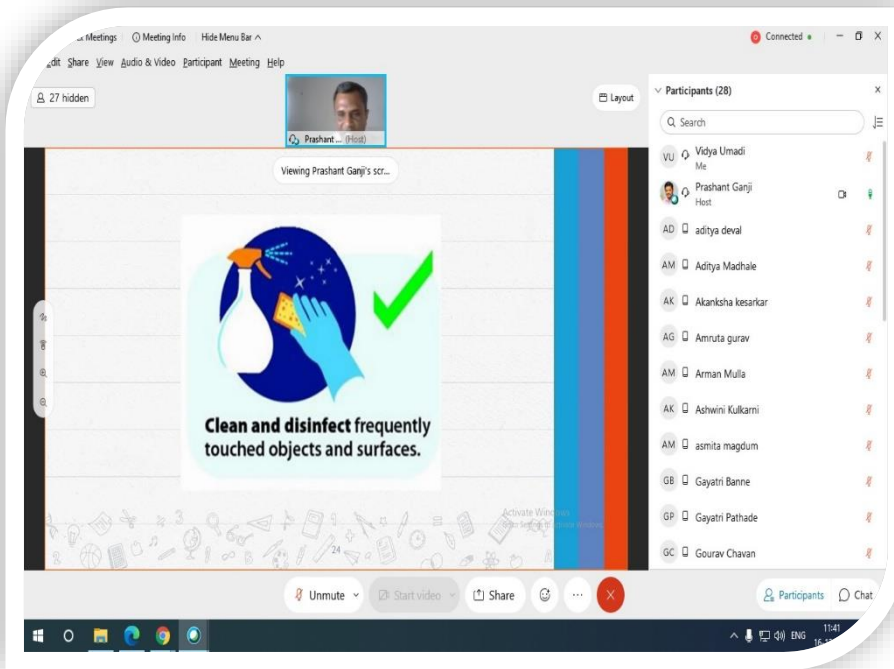

Prof. Vijay M Shevale, conducted a session on Language proficiency titled “*Tips & Tricks to Adapt English Language Easily*”, the points of discussion during session.

- ❖ Importance of English Language.
- ❖ Stages of Language development.
- ❖ Word formation.
- ❖ Root words, prefixes and suffixes.
- ❖ Quick hints to become proficient in English.

Day 3: Health Awareness: “COVID - 19 Awareness” by

Prof. Anup B Patil, Assistant Professor in Civil Dept., VSMSRKIT, Nipani

Prof. Anup B Patil, given a seminar on “*COVID -19Awareness*”, that included following points

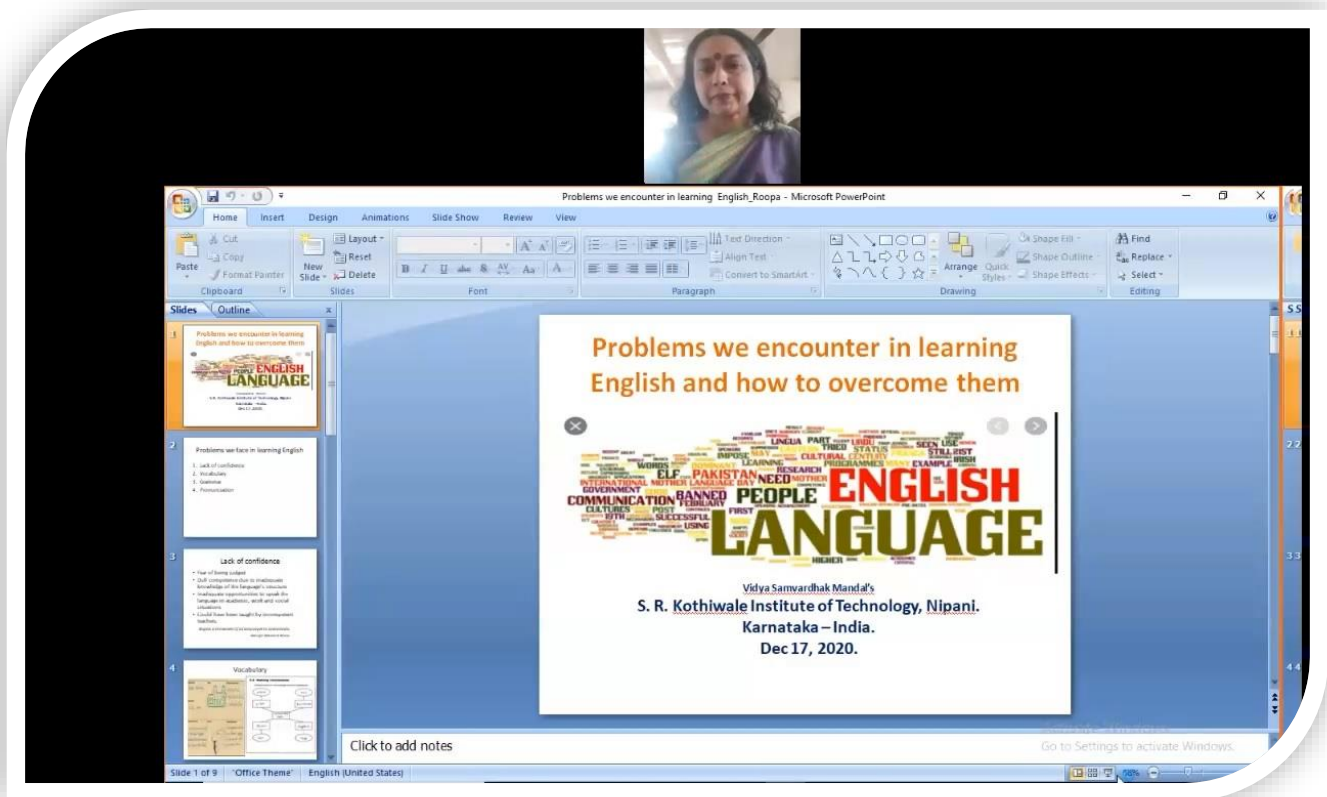

- ❖ WHAT IS COVID-19?
- ❖ Why its described as PANDEMIC?
- ❖ Prevention & Precautions; Do’s & Don’ts
- ❖ Care at VSMSRKIT; safety measures engaged in campus
- ❖ Institution’s SOP Cell & Cell Functions.

Events

- | | |
|---|------------------------|
| 1. Problems we encounter in learning English | - Mrs. Roopa Samant. |
| 2. Physical Health and Fitness | - Dr. Neeta Deshpande. |
| 3. Importance of acquiring language proficiency | - Dr. Revati More. |

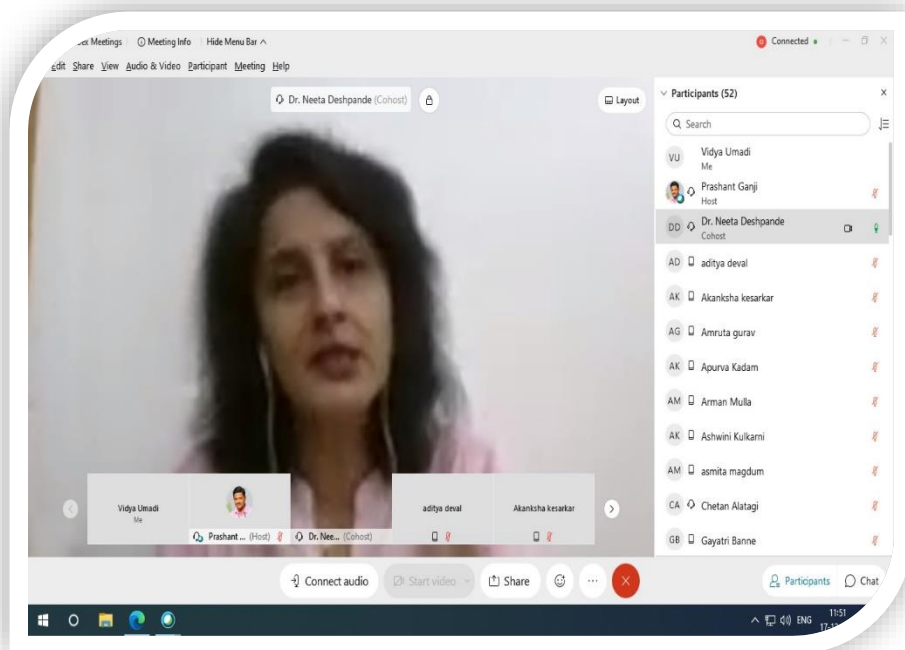

Day 4: webinar on “Problems we encounter in learning English” by
Mrs. Roopa Samant, Freelance Lecturer & Language Consultant, Belagavi

Mrs. Roopa Samant, conducted online webinar titled “*Problems We Encounter in Learning English & How to Overcome Them*” in which madam explained

- ❖ Problems we encounter like Lack of confidence, Vocabulary, Grammar & Pronunciation.
- ❖ Types of Vocabulary.
- ❖ Phonetics under Pronunciation.
- ❖ Four Pillars of a language.

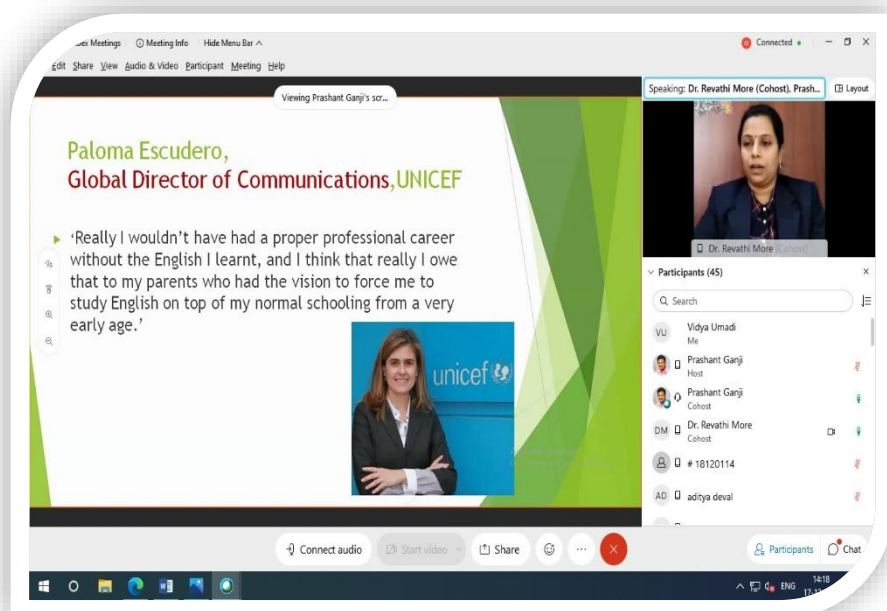

Day 4: Webinar on “Health & Fitness” by

function of**

**FRESHERS
INDUCTION PROGRAM**

For First Year 2020-21

◆ CHIEF GUEST ◆

PROF. CHANNABASAPPA. S. KUDARIHAL

**Associate Professor,
Military School of Electronics & Mechanical
Engineering, Secunderabad**

◆ PRESIDENT ◆

Dr. K. B. Jagadeeshgouda

**Principal & Director
VSM's SRKIT, Nipani**

**Date: 19th December 2020; Time: 01.00 P.M.
Venue: Seminar Hall; Online Platform: WebEx**

Prof. Vidya Umadi

Induction Program Coordinator

Prof. Prashant Ganji

First Year Coordinator

Your Gracious Presence is Solicited

The one-week student orientation virtual program, “*First Year Induction Programme 2020-21*” concluded on 19th December 2020.

Chief Guest of the Function:

Prof. Channabasappa. S. Kudarihal

Associate Professor, Military School of Electronics & Mechanical Engineering,
Under Ministry of Defence, Govt. of India, Secunderabad.

President of the Function:

Dr. K. B. Jagadesshgouda

Principal & Director, VSMSRKIT, Nipani

Host:

Prof. Prashant M Ganji

Asst. Professor in ECE & First Year Coordinator, VSMSRKIT, Nipani.

Attendees:

Dean Planning & Examination,

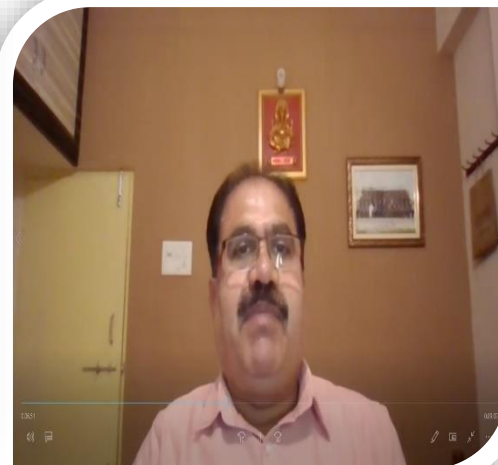

Heads of Departments:

Prof. Mallikarjun. C. Sarsamba, Prof. Sandesh D Manocharya, Prof. Sunil. M. Gangannavar,
Prof. Mahadev N Harkude.

All Teaching and Non-teaching staff of VSMSRKIT, Nipani.

First Year Students (Attended Virtually through online)

Chief Guest Speech:

During his speech Prof. C. S. Kudarihal, congratulated all the students for imparting engineering as their stream of study and career and also wished them bright future ahead. Sir even congratulated Principal, Management and all the staff members for putting their efforts to cater the students with technical education.

Function Summarization by FYC:

Prof. Prashant. M. Ganji, read the summary of one-week orientation program,

“First Year Induction Programme 2020-21”

During the speech, he mentioned various webinars, events and sessions organized in the span of one week.

Also the various resource persons and guest speaker information was described.
