Nature & extent of faculty involvement in Teaching learning Process

Institute in situated on the Karnataka Maharashtra Border City of Nipani. The objective is to empower rural and underprivileged section of

society with technical education Admission rules & regulations are governed by statutory bodies AICTE/VTU and Government of Karnataka. We are not member of Comedk as people living in this area are poor and cannot afford high fees. Even admission under management quota fees is almost equal to CET Quota.

Institute in situated in 15 acres of green campus on the outskirts of Nipani. Standard practices are adopted in the teaching learning process like identification slow learners, mentoring, remedial classes and transparent feedback system of evaluating teachers by students. Guest lectures and encouragement of students to participate in techno cultural events in other Engineering Colleges is routinely practiced.

All Classrooms are well equipped with LCD projectors Dedicated and highly qualified Faculty members ensure effective delivery of curriculum through ICT Tools. Students are encouraged to enroll for NPTEL and other Courses. Institution has a very transparent Internal / External examination mechanism conducted according to Calendar of events. And VTU norms

Mechanism of good Governance

The Institute has constituted various bodies such as Governing Council in which VTU nominee is de facto member apart from management trustees, the academic council, IQAC and Department Advisory Board mandatory comitties as per AICTE norms for smooth transparent & effective functioning of the Institute. The institute has, this year implemented E-governance through 'VSM ERP' software. Effective welfare measures are implemented for teaching

& nonteaching Staff Faculty members are actively participating in FDP's & organizing technical events. The Institute is having well defined performance appraisal system.

The institute is having well established financial management system along with financial audits done by chartered Accountant (CA) IQAC is constituted to monitor and evaluate the teaching learning process. A New administrative block is being Constructed which will have MBA college Principal offices modern Seminar hall class rooms and studio rooms.

Student feedback of institutional Governance / faculty performance

Both formative and summative feedback is taken from the students (With option not to mention their details) Student feedback is one the major components for salary hike of teachers.

Grievance Redressal mechanism for faculty, staff and students
VSMSRK IT is committed to provided safe, healthy and fair ecosystem for leading and working. Grievance Redressal cell (GRC) in set up accordance with UGC / AICTE norms, GRC facilitates the resolution of grievance in a fair & impartial manner involving the respective department. Any stake holder with a genuine grievance may approach GRC through complaint box / Email or direct approach. Every stake holder is made aware of the procedure, Confidentiality & unbiased nature of GRC in resolving the conflicts.
